## FEATURED PRODUCER

### PRESSURE DROP BREWERY, HACKNEY CENTRAL

*Started by three friends Graham, Ben and Sam. Pressure Drop focuses mainly on Wheat beers twisted with foraged ingredients. Brewed in a railway arch they showcase a beautiful pilot beer range as well as producing great seasonal's*

BOSKO IPA 6.5% 6

*The guys created this beer at a time when the freshly hopped American style wasn't readily available in the U.K. To replicate the sought after flavour they loaded it up with American hops for the resinous bitterness and crystal malt for sweetness to balance*

Wallbanger Wit 4.4% 6

*A Belgian style beer saved from extinction by Pierre Cellis. The Wit beer traditionally is a wheat based beer with orange zest and coriander, The aromatic bright spice and citrus is perfect for sunny days with some seafood*
