## CRAFT'S CHOICE

50

PRINCIPIA MATHEMATICA - XAREL-LO - DO Pendes, Catalonia, Spain 2016

*Produced by Irene Alemany and Laurent Corrio. Principia Mathematica is made from Xarel-lo indigenous grape from Catalonia. It is a white wine with a Burgundy soul: creamy, nutty and full bodied with a rich fruity bouquet.*

52

POLOPUESTO - CABERNET FRANC - Uco Valley, Mendoza, Argentina 2015

*This wine is the vision of Pol Andes, an American oenologist based in Argentina, who defies the local convention. Whole bunches were left uncrushed to perform carbonic maceration. The result is a powerful red, plenty of ripe raspberries, blackcurrants and violets.*
